

ABG Smart Mobile

Learn how to make better healthcare spending and saving decisions with the American Benefits Group ABG Smart Mobile.

Introducing the American Benefits Group ABG Smart Mobile

When it comes to your Benefit Accounts, the American Benefits Group ABG Smart Mobile takes the guesswork out of your healthcare spending and saving decisions. It includes a personalized, real-time and self-guided experience that ensures you have access to not only powerful self-service capabilities such as viewing and managing your Benefit Accounts, submitting claims, and accessing account alerts but also actionable insights that lead you down a path to better healthcare spending and saving behaviors.

The ABG Smart Mobile combines health and wealth in one location, giving you personalized low-cost, high-quality healthcare options – making you a smarter consumer of healthcare by spending less now and saving more for the future.

What you can expect from the ABG Smart Mobile

- **A personalized experience** that helps you navigate your unique health and wealth journey
- **Access to real-time information** so you always have up-to-the-minute data and insights about your Benefit Accounts available at your fingertips
- **A modern, easy-to-use mobile experience** with powerful self-service capabilities
- **Data driven tools**, including a personalized Smart Score, that guide you to make informed decisions about where to best spend and save your healthcare dollars
- **Cost and quality insights** that allow you to better search for procedures and providers
- **A virtual medicine cabinet** for managing your monthly drug costs
- **Long-term savings recommendations** based on known chronic conditions
- **Personalized recommendations** to help you maximize account value
